NJ Convention Center - Raritan Center - Edison, NJ

2004 FLEA MARKET
INFORMATION & FORM

The Trenton Computer Festival (TCF), in its 29th year, is a selling and educational show. Educational and training programs run constantly, informing the attendees of the latest in computer technology. Exhibitors are advised to bring large quantities of computer-related merchandise to sell during the show period. Attendees show interest in buying complete computer systems, disks, printers, supplies, parts, books, software, modems, etc - just about everything related to personal computer systems. Surplus and closeout products will sell well!

Trenton Computer Festival, Inc., owner of the Trenton Computer Festival, is a 501-C-3 not for profit organization. The following clubs and organizations share in the proceeds of the Festival: Amateur Computer Group of New Jersey, The College of New Jersey, the Central Jersey Computer Club, the New York Amateur Computer Club, the Computer Education Society of Philadelphia and the ACM/IEEE Princeton Central Jersey Section.

TCF is now professionally managed by **PC Shows, Inc.**, (formerly KGP Productions) manager of computer shows for the past 25 years. TCF at the NJ Convention Center, will be bigger and better than ever before, allowing more space for vendors, attendees, an outdoor fleamarket with over 500 spaces, over 100 speaker sessions, amateur radio testing and other special activities, all under one roof.

We will mail approximately 75,000 show flyers and will be advertising in magazines, newspapers, and on radio and TV. Attendance is projected to be in the 10,000 range.
